The Unlimited Cart Plan runs April 1, 2025 to March 31, 2026

The Cart Plan is an optional election for any existing member to purchase for the membership year (April 1, 2025– March 31, 2026) and will grant members unlimited complimentary use of golf cart and walking carts at Bear Trap Dunes during this period. There is no proration of the 365 day period and no refunds. Members must purchase at their own risk of injury, illness, or other reason that would suspend their golfing. Unlimited usage does not include discounts for event entry fees. (The price for our packaged and allocated events would remain the same as that of a non-plan participant.)

- Tournament rounds such as the Match Play and Ladies' & Men's Days in which the member checks in at the point of sale to play with the use of golf carts is covered by the Plan.
- All social rounds, whether 9 or 18 holes, walking cart or electric cart, will be covered.
- Subscribers must still call to reserve a tee time and check in at the golf shop counter on the day of play.
- Any membership type (family/corporate/individual) may select to be an 'individual' under the Plan. Other members of the same family membership will continue to pay for golf cart and walking cart fees as normal.

By signing below, you agree to the above terms, and you understand that the Cart Plan is billed annually and must be renewed each year.
